

Hello Loyal Friends -

As we all face this crisis together, we remain committed to the health and welfare of all of the people that are connected with LASPA, whether as warehouse or office workers, or customers that are looking for continuing access to our natural health products.

Due to COVID-19 we are operating on skeleton staff at our facility to avoid issues of contact with each other, and we are processing orders received online through www.laspanaturals.com as quickly as possible. With spring and summer around the corner, we understand that many of you will want to get your mineral sunscreen products, and we are all spending more time outdoors now, when permitted, to get through this difficult period.

LASPA remains open for business and thank you for your continued loyalty and patience throughout.

We wish you and yours all the best in good health.

Susan Mey
